

Dear Dish Retailer:

Operating a Dish Network retail shop is a complex job. Database software should save you time and money. Are you getting the most out of your software and your time? Do you have to worry about software upgrades, bugs, invoicing, collecting, installation and most importantly collecting your commissions from Dish Network?

If so, you must try DishStar's FREE 30 day trial. It is an easy to use, proven online database solution that saves you money and produces results. And there is no software to buy and install.

"DishStar increased my monthly revenues by \$1200.00 monthly. DishStar is able to track the money that is owed to me from Dish Network (reconciliation). I would recommend this software to any serious retailer small or large."

—Eric Myers, Tenaya Marketing

Discover DishStar's reconciliation tool and see how much Dish Network owes you. **Jon Lewis of Professional Satellite, found \$80,000 in unclaimed monies from Dish Network with DishStar.** How much money are you owed from Dish? It could be thousands!

That's right; DishStar's reconciliation tool could find \$2,000, \$5,000 or more of uncollected money from Dish. I am so sure DishStar will free-up your time and save you money that I'll help you get started for FREE.
